Save Money on Your 1936 Chicks!

Specialized poultrymen are using Hall's Chicks because their incomes depend on profitable chicks. Many were disappointed last year, or delayed in receiving their chicks through failure to order early. Avoid disappointing delay on your 1936 chicks by taking advantage of Hall Brothers' Special Discount to their regular and new customers. On orders placed before January 1, 1936, for delivery after January 1, AND ACCOMPANIED BY CASH, Hall Brothers offer a

A WORD TO THE WISE—

You want good service from your motor car or your chicks. You buy your car on the name and reputation of the maker. Buy Hall's Chicks the same way, and for the same reason. Last Year, 30,000 customers showed their confidence in Hall Brothers by buying six million husky, profit-making chicks -- every one free from Pullorum Disease with NO REACTORS FOUND, as shown by the Tube Agglutination Test conducted by the various New England Official Testing Agencies.

RAISE PROFITABLE PULLETS

Hallcross Baby Pullets have all the advantages of sexed pure breeds -- plus hybrid vigor -- without any of the dangers of being sexed. A survey in 1934 showed an average production of 192 eggs per bird from these sturdy profit-makers.

Do you want stock like this?

Our sincere wishes for a Merry Christmas and a most prosperous New Year.

Cordially yours,

HALL BROTHERS
